St. Luke's is able to do God's work in many different ways because of the many hours of volunteer time given by our members. Please prayerfully consider the ways you can make one major time commitment (over 5 hours per month) and two or three minor time commitments (seasonal or one time and done) during the course of the next year.

Please circle or highlight the ways in which you wish to do God's work with your hands during the coming year. On the back side of this page, please write in specific gifts, skills, and talents you have to share which are not listed here.

For more information about the specific items listed, please contact the person named.

Specialized skills which support St. Luke's mission and ministry overall
